Training for Summer Youth Programs at

We've partnered with ed2go, the leader in online education, to offer programs that will capture the interest of youth program participants. These courses will introduce students to a new learning approach that will link them with college programs, as well as connect them with employment, internship, or volunteer opportunities to gain valuable hands-on experience.

ed2go courses:

- Can be taken anytime, anywhere
- Help participants gain critical knowledge along with hands-on skills
- Offer a learning aspect that allows the experience to go beyond summer -- some participants may find permanent employment through intern or volunteer activities
- Introduce a new learning approach that will connect them to college programs and ongoing ways to improve their skills
- Each course can be completed in 6 weeks, and the time commitment is about 4 hours per week

Here are just a few of the areas that students can choose to study:

- **Healthcare**
- **IT Hardware & Networking**
- **Administrative Skills**
- **GED Test Prep**
- **Basic Skills**
- **Spanish**
