

Learn from the comfort of home!

Online Courses For Healthcare Professionals

Our **instructor-facilitated online courses** are informative, fun, convenient, and highly interactive. Our instructors are famous for their ability to create warm and supportive communities of learners.

All courses run for six weeks (with a 10-day grace period at the end). Courses are project-oriented and include lessons, quizzes, hands-on assignments, discussion areas, supplementary links, and more. You can complete any course entirely from your home or office. Any time of the day or night.

How to Get Started:

1. Visit our Online Instruction Center:
2. Click the **Courses** link, choose the department and course title you are interested in and select the **Enroll Now** button. Follow the instructions to enroll and pay for your course. Here you will enter your e-mail and choose a password that will grant you access to the Classroom.
3. When your course starts, return to our Online Instruction Center and click the **Classroom** link. To begin your studies, simply log in with your e-mail and the password you selected during enrollment.
