CompTIA™ Healthcare IT Technician

Our Program

As healthcare providers begin to embrace information technology as a way to improve healthcare delivery, the need for qualified information technology professionals continues to increase.

This online course of study is intended to further train individuals who are already working within the information technology field. It will train your local workforce for specialized opportunities within the healthcare industry. It will also prepare students for the CompTIA™ Healthcare IT Technician exam and increase their level of qualification even further.

**Certifying Exam**: CompTIA™ Healthcare IT Technician Exam

Professional Credential: CompTIA™ Healthcare IT Technician
