

SAT/ACT

Test Preparation Online Courses

SAT/ACT

Preparation – Part 1

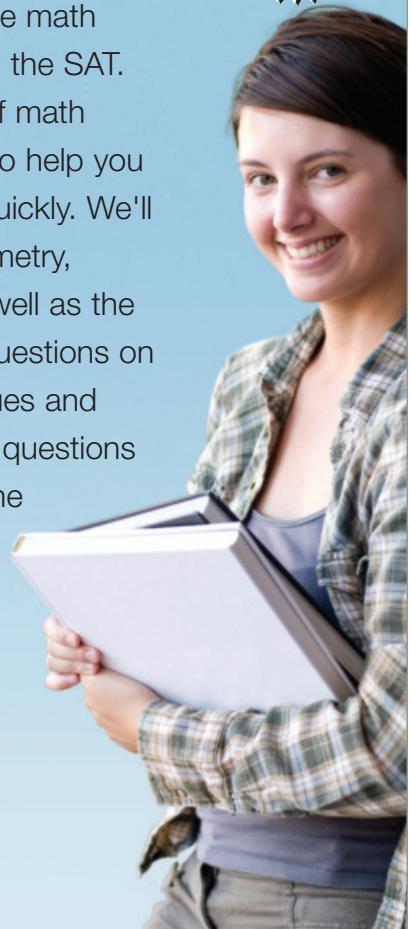

This course will prepare you to take the verbal question types on both the ACT and the SAT.

SAT/ACT Preparation Part I is designed to prepare you for the reading, English, and science sections of the ACT and the critical reading and writing sections of the SAT. You'll refresh your knowledge of verbal topics and learn techniques that can help you relieve test-taking anxiety.

SAT/ACT

Preparation – Part 2

This course will prepare FOR the math questions on both the ACT and the SAT. You'll refresh your knowledge of math subjects and learn techniques to help you move through the tests more quickly. We'll review arithmetic, algebra, geometry, trigonometry, and statistics as well as the Student Produced Response questions on the SAT. We'll practice techniques and approaches using similar exam questions and fully explain and interpret the correct and incorrect answers.

All instructor-facilitated online courses run for six weeks (with a 10-day grace period at the end). Courses are project-oriented and include lessons, quizzes, hands-on assignments, discussion areas, supplementary links, and more. You can complete any of these courses entirely from your home or office and at any time of the day or night.

Get started today!

1. Visit our Online Instruction Center:
2. Click the **Courses** link, choose the department and course title you are interested in and select the **Enroll Now** button. Follow the instructions to enroll and pay for your course. Here you will choose a username and password that will grant you access to the Classroom.
3. When your course starts, return to our Online Instruction Center and click the **Classroom** link. To begin your studies, simply log in with the username and password you selected during enrollment.

Start Dates:

New course sessions begin monthly. Please visit our Online Instruction Center to see exact start dates.
