AutoCAD 3D

Our Program

This online program introduces your local workforce to the concepts and methods of 3D modeling, using AutoCAD 2015. The program provides a thorough grounding in the fundamentals of 3D illustration and explores the advanced 3D modeling workspace within AutoCAD 2015. Additionally, this program uses Autodesk Certified Curriculum.

This program is ideal for local workforce students who want to update their skills and knowledge with the latest Autodesk drafting software. Should a student have experience with AutoCAD 2D, this program is an ideal way for them to obtain the latest desired experience, within the drafting industry.
