

Verifying a Student in the Microsoft Office 2016 Bundled Products

You can now verify a student enrolled in bundled products just once. No need to verify each course enrollment individually.

Login: admin.ed2go.com

Verification

- 1. Go to Manage and Enroll Students under the Tracking Tab.
- 2. Search In the search bar, you can search by the student's name and or course title.
- 3. Click the box next to the student or students you choose to verify.
- 4. Click Verify.

5. Once you click verify, a "success" message will appear. All products with in the bundled products are now verified.
