- No additional charges - all materials, workbooks, and software are included in the course fee
- Payment plans available

Carpentry

Prepare for a career as a carpenter as you master basic residential construction skills, learn to read blueprints and do jobsite math, and get hands-on practice in three workshop projects.

Certified Residential Interior Designer

Prepare for a career as a residential interior designer by learning the basics of good design, getting familiar with design styles and movements, and exploring the materials that interior designers use.

Home Inspection Certificate

Learn about standards of practice, defects recognition, inspection guidelines, reporting methodologies, and liability management as you prepare to become a home inspector.

Human Resources Professional

Master the skills you need to gain an entry-level position in human resources and prepare to take the PHR (Professional in Human Resources) certification exam.

OMCA Content Marketing Associate

Bring an audience to your company's website and engage web viewers with valuable content and new strategies for success. **Voucher Included.**

OMCP Social and Mobile Marketing Professional

Learn the scope of digital marketing and how to make mobile marketing and social media work in your favor. **Voucher Included.**

OMCP Email Marketing and Automation Professional

Learn how to write emails worth opening, reading and acting on. With mobile devices being used frequently, it's critical to write emails that are mobile friendly while being valuable and engaging. **Voucher Included.**

Professional Bookkeeping

This program teaches students how to master professional bookkeeping using the QuickBooks 2015 software. **Software Included.**

Personal Fitness Trainer

Learn how to apply your client's health history, goals, and abilities, as well as integrating exercise science curriculum and practical training techniques, into a systematic model you can use to progress your clients through different training levels and phases.

Freight Broker/Agent Training

Prepare to enter the freight/logistics industry. This program will prepare you to start your own freight broker business or become a freight agent.

Grant Writing

Learn to write grant proposals that get funded in this nationally recognized Grant Writing online training program.

Technical Writing

Develop your technical writing abilities to a professional level. You'll learn research methods, audience considerations, style, drafting and revision techniques, how to work in a collaborative environment, and more.

Enroll Today!

All materials are included in the program fees. Each course has an instructor assigned to answer student questions and solve student problems.
