The Complete Project Manager with CAPM and PMP Prep

This is a comprehensive project management program for those who want to expand their knowledge and application of project management concepts. It is designed to create skills for today's project practitioners and prepare them for either the CAPM and PMP certifications.

Six Sigma Black Belt

This online career training program provides you with an in-depth look at the Six Sigma Black Belt problem-solving methodology, deployment, and project development approaches.

CPC Medical Billing and Coding

This Medical Billing and Coding program with 60 hours of medical terminology training, gives you a competitive edge in entering the healthcare field.

Professional Bookkeeping with QuickBooks 2015

This program teaches students how to master professional bookkeeping using QuickBooks 2015 software.

Pharmacy Technician

Pharmacy technicians support licensed pharmacists in providing health care to patients. Train to enter this rapidly growing field with this respected online program.

Paralegal

This program will prepare you for success in the growing career field of paralegals. You'll learn about the American legal system, how to conduct legal research and legal interviews, how to perform legal analyses, and more. Your training will prepare you to become a legal secretary or paralegal to take the certification exam.

Marketing Design Certificate

This program focuses on design for marketing and business—creating logos, advertisements, communications, and more. You'll learn Photoshop, Illustrator, and Microsoft PowerPoint while gaining fundamental technical and aesthetic skills.

Lean Mastery

Eliminate waste from your business by learning and implementing the principles of lean business.

Human Resources Professional

Master the skills you need to gain an entry-level position in human resources and prepare to take the PHR (Professional in Human Resources) certification exam.

HVACR Certified Technician

The HVACR Certified Technician program is a comprehensive online training that encompasses heating, ventilation, air conditioning, and refrigeration.

Freight Broker/Agent Training

Prepare to enter the freight/logistics industry. This program will prepare you to start your own freight broker business or become a freight agent.

Certified Medical Administrative Assistant with Certified Electronic Health Records Specialist + Medical Terminology (Vouchers Included)

This program combines the Certified Medical Administrative Assistant program with training in electronic health records and medical terminology to give you a competitive edge in the healthcare field.

Advanced Hospital Coding and CSS Prep

This program will utilize your existing knowledge of medical terminology and healthcare sciences. Increase your coding skills and prepare to take the official certification exam to become a Certified Coding Specialist.
