

AIR FORCE COOL

PROFESSIONAL DEVELOPMENT FOR AIRMEN!

WHAT IS AF COOL?

The Air Force Credentialing Opportunities On-Line (AF COOL) program is a pathway to earning industry-recognized certifications and licenses.

AF COOL matches enlisted Airmen to credentials and licensures based on their primary AFSC, so they can enhance their active duty work and prepare to transition into the civilian job market.

Acquire In-Demand Job Skills in the Following Categories:

Microsoft Office Specialist 2016 (MOS) Certification Training	CCNA: Routing and Switching Certified Administrative Professional
CompTIA A+ Certification Training	NASM Certified Personal Trainer and Exam Preparation

Many Additional Courses are Also Available

QUICK FACTS:

- Available to Enlisted, Active Duty Airmen, Air National Guardsmen,* and Air Force Reservists*
- Unlimited Credentials Within Cap
- \$4,500 Lifetime Cap Allowance

* ANG and AFRES must be on Title 10 or Title 32 (502)F Orders for the entire duration of the credential process. Contact AF COOL CPO for more information.

THE 6-STEP AF COOL PROCESS

1. Airman enrolls via AFVEC and selects credential. We strongly recommend reaching out to us to discuss course options in advance of your upload.
2. Airman Supervisor approves.
3. Airman returns to AFVEC and creates funding request.
4. AF COOL verifies eligibility and processes payments.
5. Airman completes coursework and sits for credential exam.
6. Airman reports final grades (pass or fail) to CPO.
