

# ed2go GRANT SERVICES

## EXPERT GRANT ASSISTANCE

Billions of third-party funding dollars are available each year for **in-demand job training**. However, securing these funding opportunities for your students can be challenging due to strong competition and limited institutional resources. We can help. Our **in-house grant experts** provide **third-party funding support** for your educational program and students.

### AS AN ED2GO PARTNER, YOU CAN RECEIVE ASSISTANCE WITH:

#### GRANT RESEARCH

- Identify and distribute relevant grant opportunities
- Map regional job demand to ed2go offerings

#### PERSONALIZED GRANTS PLAN

- Identify strategic focus area(s) and needs
- Provide a checklist of requirements and information needed
- Determine grant alignment with program mission

#### GRANT PROPOSAL SERVICES

- Gather organizational and regional data
- Present draft proposal/abstract
- Integrate revisions and documentation for submission

#### IMPLEMENTATION AND FACILITATION

- Provide student enrollment and advising services
- Support enrollment with marketing
- Generate reporting reminders
