

ADVANCE YOUR
CAREER WITH
ONLINE TRAINING

EXPLORE A CAREER AS A **CERTIFIED PHARMACY TECHNICIAN**

If you enjoy helping people, serving in a busy and challenging environment, and staying at the front of medical technology, a pharmacy technician career may be a great choice for you. You can train for the national Pharmacy Technician Certification Exam (PTCE) in under a year with this comprehensive online course. Learn important medical and pharmaceutical terminology and get hands-on experience in a virtual pharmacy environment. You will also have the opportunity to apply for a 100+ hour externship after successfully completing the course.

COURSE DETAILS
