# SAT/ACT

## TEST PREPARATION

Making the decision to attend college is one of the most important decisions you will ever make. Prepare for the SAT or ACT, from anywhere and at any time, as part of the evaluation package required by universities and colleges.

### SAT/ACT Prep Course - Part 1

Both the ACT and the SAT contain verbal and math question types. SAT/ACT Preparation Part I will give you all the information you need to do well on the verbal questions of the ACT and the new SAT. The ACT verbal sections are called the Reading Test, the English Test, and the Science Test. The Reading Test and the English Test assess your knowledge of English usage, grammar, and reading comprehension.

### SAT/ACT Prep Course - Part 2

SAT/ACT Preparation Part 2 will give you all the information you need to do well on the math questions of the ACT and the new SAT. The ACT math tests your knowledge of arithmetic, algebra, geometry, trigonometry, and basic statistics, and you will review all these subjects. You'll also examine functions and other algebra II subjects that are now tested on the SAT.
