EMPOWER YOUR COMMUNITY

## What sets an ed2go Partnership apart?

ed2go Partners are provided with the support and resources to reach their unique goals and equip learners for success with expert course design and a commitment to provide an accessible, equitable, and inclusive learning experience.

With more than 25 years of experience, we partner with over 1,500 academic institutions, workforce agencies, and corporations to deliver high-quality continuing education and industry-recognized credentials.

### VALUE FOR ed2go PARTNERS

ed2go provides over 900 flexible, turnkey online course solutions to Partners that offer premium value from set-up to ongoing assistance and resources. Partners are supported in their initiatives by a dedicated ed2go team to enable continued success.

### ENHANCED STUDENT VALUE

ed2go gives students a head-start on achieving their goals from day 1 with affordable, interactive courses to prepare them for the next step in their careers. Students are supported by advisors and instructors who help guide their learning journey.

### COURSE DESIGN & NAVIGATION

Students and Partners can count on ed2go's course quality. Our learning designers, subject matter experts, product managers, and multi-media designers intentionally build courses mapped to quality rubrics and successfully prepare students for credentials.

### INCLUSIVITY & ACCESSIBILITY

ed2go is committed to fostering a diverse, equitable, and inclusive learning environment. Our dedication to these principles is reflected in our courses. We strive to make consistent improvements to accessibility and inclusivity to effectively enable all students.
