

ONLINE COURSES

Convenient Training Solutions for Retailers

Our catalog of over 300 courses allows you to provide simple training solutions to employees quickly and effectively as students learn on their own time and in their preferred learning environment.

Our courses are designed to teach students valuable skills that can be applied immediately in the workplace. Students receive a certificate that employers can use to verify the training is complete.

KEY BENEFITS

- No additional hiring required as courses are taught by expert instructors
- No dedicated training space or additional equipment is required
- Employees benefit from self-paced learning and unlimited course access
- No geographic limitations or travel expenses with online training
- No minimum or maximum number of employees to enroll
