

STUDENT SUCCESS STORY

A QUEST FOR CHANGE: FROM ASPIRATION TO ACTION

GAINING CAREER GROWTH OPPORTUNITIES AND NEW SKILLS

MARIA S. enrolled in the Pharmacy Technician course offered through the **San Diego State University (SDSU) Global Campus**. Her story exemplifies how determination and adaptability can open new career opportunities.

Maria recognized her need for a new job and sought avenues to expand her career horizons. She seized the opportunity to enroll in the **Pharmacy Technician** course, drawn by its online format and affiliation with SDSU.

Embracing the online learning format posed a challenge for Maria, yet she approached the course with determination, viewing it as an opportunity for personal and professional growth. The support provided by ed2go played a pivotal role in Maria's success—with the structured curriculum and accessible resources empowering her to progress swiftly and confidently in her studies.

“*I am enjoying the challenge of the new job, and it's rewarding to help people get the medicine they need.*”

Maria successfully completed her course and is now working part-time at **CVS** as a **pharmacy technician**, where her new skills and knowledge are being used in an impactful way.

CHALLENGE

Maria struggled with the challenge of adapting to technology and studying independently since she last took college courses.

SOLUTION

Online, self-paced ed2go course

- **Pharmacy Technician (Voucher Included)**

RESULTS

Maria successfully gained a job as a **Pharmacy Technician** at **CVS**, where she can put her skills to good use and is more satisfied with her work-life balance and new employer's culture.
