

STUDENT SUCCESS STORY

BREAKING INTO MEDICAL BILLING

TURNING CHALLENGES INTO SUCCESS

CHRISTINE C. was at a crossroads. Possessing a medical background but lacking experience in the intricacies of coding and billing, she sought a career transformation that would leverage her existing knowledge while opening new doors. Her search led her to **ed2go's Medical Administrative Assistant - Coding and Billing** course, a pivotal step in her journey to a fulfilling career.

Driven by a strong aspiration for a stable and promising job within the dynamic healthcare industry, Christine was firm in her pursuit of knowledge.

Christine's story is a compelling example of how education can be a catalyst for personal and professional growth. By confronting challenges head-on and seizing opportunities, she was able to turn her dream of becoming a medical biller into a reality within six months.

Her journey highlights the importance of perseverance, determination, and the power of quality online education in achieving success.

“The course was easy to navigate and not hard to take online. I was able to pass my CPC right after taking the course.”

CHALLENGE

Christine found the complexities of Current Procedural Terminology (CPT) coding challenging but overcame these obstacles.

SOLUTION

Online, self-guided ed2go course:

- **Medical Administrative Assistant - Coding and Billing**

RESULTS

Christine successfully completed the course and earned her CPC certification, which led to her current position as a medical biller.

9% GROWTH EQUALING 16,700 NEW JOBS

is projected through 2033 for Medical Coders, Billers, and Record Specialists, significantly faster than other jobs
