

STUDENT SUCCESS STORY

A JOURNEY INTO MEDICAL CODING

DISCOVERING NEW POSSIBILITIES

STEPHANIE N. is currently working as an administrative assistant at Management and Training Corporation. She wished to expand her professional horizons by enrolling in the **Medical Billing and Coding** course through **Salt Lake Community College**. Motivated by a keen interest in the healthcare industry, Stephanie sought to acquire new skills and knowledge that could potentially open doors to new career opportunities.

The decision to invest in her education was a significant step. By taking out a loan and leveraging partial reimbursement from her employer, Stephanie demonstrated a strong commitment to her professional development. While the course presented challenges, particularly in bridging the gap between coursework and certification exam content, Stephanie persevered with determination.

Through the course, Stephanie not only gained valuable knowledge but also experienced a boost in confidence in her abilities. Her journey is a testament to the power of lifelong learning and the potential for personal growth. As she explores her next steps in the medical field, Stephanie's newfound skills and knowledge will undoubtedly serve as a solid foundation for future success.

“I really enjoyed taking *Medical Coding and Billing (Voucher Included)* from ed2go. They also make it super easy to get started and to get financing all set up.”

CHALLENGE

Bridging the gap between course content and certification exam requirements posed a challenge for Stephanie.
