BUILDING A BRIGHTER FUTURE THROUGH ONLINE EDUCATION

LAURA H. is a seasoned professional in the nonprofit sector. She enrolled in the **Nonprofit Manager** course offered through the **University of North Georgia**. As an administrator of Pay It Forward Scholarships, Laura sought to expand her skill set to prepare for her upcoming promotion to executive director within the organization.

A proud alumna of the University of North Georgia, Laura had a deep-rooted passion for the nonprofit world. Despite years of experience, she recognized the value of formal education in enhancing her leadership capabilities. The course presented an opportunity to dive deeper into the intricacies of organizational management and develop a strategic mindset.

Balancing a demanding role, preparing for a promotion, and the rigors of coursework was undoubtedly challenging. However, Laura's determination and the course's flexible format allowed her to manage her time effectively and make significant progress. The opportunity to learn at her own pace and apply newly acquired knowledge to her work proved invaluable.

“I would definitely recommend the *Nonprofit Manager* course! Each week I learned information that was relevant, timely, and practical as I prepared to take on the role of executive director.
