ABOUT THIS CAREER:

Become a skilled wedding planner and enter the world of creativity and organization, where you will help couples celebrate their special day. Train for a career filled with joyful events!

A wedding planner coordinates and executes all aspects of a client's wedding day. Their duties include developing a detailed wedding plan and timeline for clients, such as researching and selecting vendors, managing budgets, and staying organized throughout the wedding planning process.

INTERNSHIP OPPORTUNITY:

This course provides you with information on customized internships. You will receive notifications on internships in your area. It is also possible for you to receive invitations to industry conferences and events.

Disclaimer: This course does not have an internship program through ed2go. Please check with your instructor for more information regarding internship opportunities.
