ABOUT THIS COURSE:

If you're an animal lover, find out how you can start your own pet sitting business to translate your passion into a profitable career! In this course, you will master the essentials of running a cat and dog sitting business.

You'll begin with pet care, including nutrition, exercise, first aid, and the identification of common diseases. You will learn the basics of first aid and find out how to administer pills, liquid medications, and injections to an uncooperative cat or dog. You will discover how to handle home visits and impress your potential clients. You'll also explore sticky situations that can arise, such as lost pets, pets that die unexpectedly, and pets that need immediate veterinary care.
