

STUDENT SUCCESS STORY

FROM ANALYST TO LEAN SIX PROFESSIONAL

WESTJET PROFESSIONAL SOARS WITH LEAN SIX SIGMA

JENNIFER O. works full-time as a senior business analyst at **WestJet**. She sought to deepen her expertise and expand her career horizons. Driven by a desire for reputable training, she chose the **Lean Six Sigma Green Belt** program offered through **McMaster University** after thorough research and training comparisons.

Jennifer's dedication to due diligence in selecting her training paid off, leading her to a highly impactful learning experience that she is now using every day. She persevered in her goals by leveraging the flexibility of the course to absorb and build her confidence in the learning materials. She also benefitted greatly from the support of her program's coach.

Jennifer's learning was enhanced by the practical application of course content to an actual work project, exceeding her expectations of online, self-paced learning. The program equipped her with valuable knowledge and also opened doors to new opportunities, mentors, and networking groups. Jennifer now approaches business decisions with a refined perspective and envisions a future as a senior Lean specialist, mentor, and potential leader in continuous improvement.

“*New opportunities and demands have opened. I've made new connections to mentors and networking groups and approach business decisions with a new lens.*”

\$110,000 - 116,000 ANNUAL PAY RANGE

is the average for all jobs that include Lean Six Sigma Green Belt in the description, based on experience
