Ed2Go
by Cengage

Turn courses into careers

Ed2Go partners with organizations like yours to deliver high-quality online career training that helps students build in-demand skills and advance their careers.

25+ years in business | **1000+** courses | **5.4 million** students served

Bridge the gap between education and opportunity with Ed2Go.

1. **Programs under your brand, powered by Ed2Go.**
2. **Quality and outcomes that your institution can stand behind.**
3. **Education that keeps pace with workforce demand.**
4. **Expedited growth without added cost or complexity.**

DELIVER VALUE THAT MATTERS

For your students.
Career-focused education that leads to in-demand skills and career opportunities.

For your organization.
Expand offerings, advance your mission.

For your community.
Affordable, relevant, career training, leading to family sustaining wages.

THE ED2GO SUITE OF SERVICES

Ed2go delivers a turn-key course program, enabling Partners to get up and running quickly.

High-quality content
Ready to go courses built on strong learning design principles.

Flexible delivery
Courses can be offered in a variety of models including online, hybrid, or cohort.

Beyond the course
Registration, enrollment, LMS, and a hosted website are maintained 24/7.

Partner Services
A dedicated account manager, marketer, and regional workforce workforce expert are here to help you succeed.

Student Support
Instructors and advisors are available for academic and technical support.
