MY STORY

MY CHALLENGE: After years working as an administrative assistant and raising my children, I found a new direction working with students. I wanted to qualify for higher-level opportunities within the school district.

WHY ED2GO: The online format made it possible to balance coursework with work and family responsibilities. The instructor, course materials, and ParaPro preparation helped me stay focused on my goal.

WHAT CHANGED: The course strengthened my understanding of classroom support, child development, and the responsibilities of a teacher's aide. It also gave me the confidence to take the ParaPro exam.

MY OUTCOME: I earned a promotion to director of an after-school childcare program with **Horry County Schools**. I also feel better prepared to pursue future teacher's aide and paraprofessional opportunities.
